English Learner Advisory Committee (ELAC) Meeting # 2-Agenda

1. Welcome and Introduction
 2. Call the meeting to order (A motion is not necessary)
 3. Call for additions/deletions of agenda items
 4. Public Input
(Any meeting held by a council or committee specified in subdivision (b) shall be open to the public and any member of the public shall be able to address the council or committee during the meeting on any item within the subject matter jurisdiction of the council or committee. 15 minutes is allocated for public input.)
 5. Reading and approval of minutes
 6. New Business
 - A. Review Needs Assessment survey results
 - C. MVHS Annual English learner (EL) data reported to the CDE (Brief overview of 3 out of the 7 reports)
 - D. Enrollment by English Language Acquisition Status (ELAS) and Grade
 7. Current Year Single Plan for Student Achievement (SPSA)
 8. DELAC Representative Report
 9. Announcements
 10. Next Meeting
 11. Adjournment
- Date Posted: _____

Welcome!

ELAC Meeting #2

Annual Needs Assessment

*We only had one parent at our first ELAC meeting and did not get any needs assessment feedback.

*I will provide a copy for those are here tonight

English Language Learners at Mt. Vista High School

Grade	Total	English Only (EO)	Initial Fluent English Proficient (IFEP)	English Learner (EL)	Reclassified Fluent English Proficient (RFEP)	To Be Determined (TBD)

MVHS SPSA Goals (24/25)

School Year: 2024-25

School Plan for Student Achievement (SPSA)

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Mountain Vista High School	20-65243-2030138	9/19/2024	09/24/2024

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan (LCAP) process.

Plan Description

Briefly describe your school's plan for effectively meeting ESSA's planning requirements in alignment with the Local Control and Accountability Plan (LCAP) and other federal, state, and local programs.

This plan is being used by Mountain Vista High School for meeting the following ESSA planning requirements in alignment with the LCAP and other federal, state, and local programs:

Schoolwide Program

Additional Targeted Support and Improvement

English Language Learners and Hispanic Students

At Mountain Vista High School, we will work to ensure that our 'at-risk' student groups (English Language Learners & Hispanic) are making progress towards grade-level standards and earning the necessary credits to graduate high school. We will do this by creating an ELAC (English Language Advisory Committee) of parents to further support our English Language Learners. We are also going to offer an array of extracurricular activities (i.e. alternative education sports tournaments, field trips and campus activities) to engage students and our families. At Mountain Vista High School, we promote ROAR (Respect, Organization, Accountability, Responsibility) behaviors and will offer students ROAR'ing Thursday, where they will have an opportunity to redeem their ROAR points for awards for displaying high character and positive behaviors. Our school will be a professional learning community where teachers and administration will work together in conjunction with our MUSD DAC's to create engaging, grade-level lessons that will prepare our our students to meet the graduate profile requirements.

Educational Partner Involvement

How, when, and with whom did Mountain Vista High School consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

At Mountain Vista High School we will gather input from our education partners in a variety of ways. We will host Back-to-School night where the principal will give a presentation about Title 1 for parents and students. During the 2024-2025 school year, MVHS will create an ELAC (English Language Advisory Committee) made up of parents and staff. There will also be a SSC (School Site Council) made up of parents and staff. Madera Unified also has a PRC (Parent Resource Center) that provides services for our families.

What we are working on!

Comprehensive Needs Assessment Components

Identify and describe any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

California School Dashboard (Dashboard) Indicators

Referring to the California School Dashboard (Dashboard), any state indicator for which overall performance was in the "Red" or "Orange" performance category.

Red- Suspension Rate.

MVHS was able to hire two intervention specialist counselors and a student advocate who will work to support students on campus. They will oversee interventions, run groups and provide academic counseling for the students of Mt. Vista. MVHS will also use alternatives to suspension in order to make discipline infractions learning experiences.

Orange- Graduation Rate.

MVHS now has a counselor, two intervention specialists, and a student advocate to help students stay up to date on their grades and credits earned/needed. We also have an advisory period on Wednesday afternoon to assist students with their graduate profile.

Orange-English Language Arts

MVHS staff will work with MUSD DAC's (District Academic Coaches) to provide our teachers with professional development on engagement strategies and collaborative structures. Staff will also participate in subject-matter and cross-curricular collaborative teams to ensure that we are embedding the MUSD graduate profile into our lesson design. Staff will also receive PD on best practices for working with students who are multilingual.

Orange- Mathematics

MVHS staff will work with MUSD DACs (District Academic Coaches) to provide our teachers with professional development on engagement strategies and collaborative structures. Staff will also participate in subject-matter and cross-curricular collaborative teams to ensure that we are embedding the MUSD graduate profile into our lesson design. Staff will also receive PD on best practices for working with students who are multilingual. IXL Diagnostics in Math and ELA use NWEA RIT Scores in ELA and MATH and enter them into IXL for individualized intervention

Referring to the California School Dashboard (Dashboard), any state indicator for which performance for any student group was two or more performance levels below the "all student" performance.

For English Language Arts, there are no student-groups that are two or more levels below the current level of Orange for all students.

For Mathematics, there are no student-groups that are two or more levels below the current level of Orange for all students.

For graduation, there are no student groups that are two or more levels below the current level of Orange for all students.

For the suspension rate, there are no student groups that are two or more levels below the current level of Red for all students.
