Addendum No. 1
Generator Project for Stadium Lighting
Bid No. 080917

NOTICE TO ALL VENDORS:

This Addendum is attached to and made a part of the above entitled specifications for Madera Unified School District for Bid No.080917with a due date of September 20th, 2017 @ 9:00 am

All changes and/or clarifications will appear in bold type and deletions will be struck out within a sentence.

Questions/Clarifications:

*What is the estimated start date of the project?

Start date will be determined once permits are obtained

*Where is Switch to be placed?

Contractor to identify placement of switch according to code

*Who is responsible to repair any field damage?

The District is responsible to repair damage that may occur to the fields.

***Contractor to provide forklift/crane to offload equipment**

***Contractor must be onsite for testing**

***District to provide As-Builts for location**

***Multi-day downtime possible, Contractor will work with Director of M & O for Scheduling.**

***Contractor to provide cement pad for transfer switch. Mounting of transfer switch on unistrut is acceptable and typical of the mounting of other nearby panels. Concrete spec same as pad for the generator.**

***District will handle all inspections**

***District will remove and relocate discus pad and poles**

Addendum No.1 cont.

***District to remove existing fencing and will install new fence**

***District will be responsible to fuel generator**

***Work hours: Monday – Friday 6:30 am to 9:00 pm**

***Estimated Project cost: \$20K-\$50K**

***Contractor will have access to portables restrooms that are currently on site**

***Switch and Generator drawing will be provided by District.**

Generator to be installed on the North West side of existing concrete pad. See attached for placement of generator.
