**Introduction & Background: Corrections**

~~Madera Unified School District is in need of a Case Management System built on the Salesforce platform and is accepting proposals in response to this Request for Proposal (this "RFP," or this "Request for Proposal") in order to find a qualified source to provide a Salesforce Case Management System. Our goal with the Case Management System is to:~~

- ~~1. Integrate data from our current Student Information System (Aeries) with Salesforce.~~
- ~~2. Track and Monitor Student Social-Emotional, behavioral, academic progress and parent participation and engagement.~~
- ~~3. Implement case auto-generation for certain triggers in an effort to be more proactive with student case management.~~
- ~~4. Gain a high-level, all-encompassing view of a student.~~
- ~~5. Gain an understanding of case management follow-through across all levels for better accountability.~~

~~The objective of this Request for Proposal is to locate a source that will provide the best overall value to Madera Unified. While price is a significant factor, other criteria will form the basis of our award decision, as more fully described in the *Evaluation Factors* section of this Request for Proposal below.~~

**Madera Unified School District needs to build its capacity to support all 26 MUSD schools (28 beginning in 2020/21) in implementing Positive Behavior Interventions and Supports (PBIS) and research-based social-emotional learning (SEL) programs with increased fidelity and is accepting proposals in response to this Request for Proposal (this "RFP," or this "Request for Proposal") in order to find a qualified source to provide the PBIS Champion Model System. Our goals with this PBIS system are to:**

- (1) increase district-level capacity and coordination to support school-level implementation of the PBIS framework and SEL programs aligned within a multi-tiered system of supports;**
- (2) provide ongoing high-quality professional development, coaching, coordination, and evaluation to build each MUSD school's local capacity to sustain and scale PBIS.**

The objective of this Request for Proposal is to locate a source that will provide the best overall value to Madera Unified. While price is a significant factor, other criteria will form the basis of our award decision, as more fully described in the Evaluation Factors section of this Request for Proposal below.
