UPDATED BID TURN IN PROCESS

Due to the current and changing situation and to continue with work that is needed at our School Sites we have implemented changes as to how we are going to handle the Bid Turn In Process.

The District encourages vendors to submit bids in advance by mail.

Bids being hand delivered: The District will be set up **in front of the Building** to accept Bids that are hand delivered. They will be received and stamped outside of the building. Once the bid time has passed, and in order to comply with CDC guidelines and applicable Government requirements, no public opening will take place. Instead, MUSD staff will open all bids and a recap will be posted on the District website by end of day.
