

## **Welcome to Mountain Vista Athletics!**

While our school does not have official sports teams that participate in traditional Athletic Teams sanctioned by the CIF, we do participate in multiple Tournament Style athletic events each year.

### **Where and who do we play?**

We compete against other similar schools in the Central Valley and all of the Athletic events are held in the City of Merced. Students will miss school all day so it's important to keep up with grades.

### **Eligibility Requirements**

- Have passing grades in all of your courses
- No major discipline or suspensions during the Term

Please Review the Athletic Calendar below for upcoming tournaments. Fight Panthers, Fight!
